Company

STAM Strategic & Partners Group Ltd, was founded by a changing business environment of STAM Soluzioni Terrestri Aeree Marittime srl, an Italian company born in 2010 from the initiative of a large industrial group that has accepted the challenge to position on the global market innovative technological solutions and services related to security & defense.

After five years of operation in the domestic market and small experiences overseas by STAM Malta Ltd which dealt purely maritime security anti-piracy, the staff of STAM srl has decided to transfer its operations entirely abroad creating STAM & Strategic Partners Group Ltd British company.

We are dynamic and able to offer at global market a new way of understanding and doing security, proposing absolutely innovative and effective solutions.

STAM Strategic & Partners Group Ltd is the only PMS'C that integrates "Italian Communications Model & UKUSA (United Kingdom & USA) Tactical Model", "The Best of Two Culture".

Our Team

STAM Strategic & Partners Group Ltd utilizes the former NATO Special Force & Special Operations Community Specialists, former US Department Of Defense / Department Of State contractors, Italian Military & LE operators & Civilian Cooperators, and professionals trained by our education cadres.

STAM Strategic & Partners Group Ltd prides itself on the professionalism of its advisors who are mindful of the profile of their clients, are able to blend in with their surroundings, while still providing a discreet but highly effective level of security.
